Awards Guide

2022
2023

ABOUT
AWARDS

Moreton Bay Regional Council is extremely proud of the many businesses across our region demonstrating business excellence and world class innovation daily.

Award winning businesses demonstrate best practice, which in turns leads to a competitive advantage and a bigger, bolder and brighter local economy as outlined in the Moreton Bay Regional Economic Development Strategy (REDS) 2020-41.

This 2022-23 Awards Guide identifies national award categories that align with Moreton Bay's key priority industries – advanced manufacturing, food and agribusiness, knowledge, innovation and entrepreneurship; and tourism, sport and major events.

The guide is divided into different sections reflecting different levels of experience with awards.

Decide what stage you feel your business is at and dive in.

Are you a first-time award entrant? We encourage you to take that first step.

Are you already somewhat experienced at awards and thinking about entering more? Align your goals with some of the different award programs and take this opportunity to showcase your successes.

We hope that you will be inspired to participate in one or more of the many exciting awards selections, and we trust this will ignite your passion to turn your dream into reality.

Everyone who is in the region is committed to the success of the region
