Responsible Officer: SC, Project Manager (ECM Project Management & Construction)

Executive Summary

Tenders were invited for the design and construction of the 'Bongaree - Bongaree Caravan Park - Cabin Renewals (MBRC007439)' project. The tender closed on 3 May 2018 with a total of three tenders received, two of which were conforming.

It is recommended that Council award the contract to Kimini Construction Pty Ltd for the sum of \$351,047.51 (excluding GST) as this tender was evaluated as representing the best overall value to Council.

OFFICER'S RECOMENDATION

That the tender for the 'Bongaree - Bongaree Caravan Park - Cabin Renewals (MBRC007439)' be awarded to Kimini Constructions Pty Ltd for the sum of \$351,047.51(excluding GST).

ITEM 4.1 BONGAREE - BONGAREE CARAVAN PARK - CABIN RENEWALS - DIVISION 1 - A17352057 (Cont.)

REPORT DETAIL

1. Background

The project is located within the Bongaree Caravan Park, Welsby Parade, Bongaree. The project scope includes the renewal of thirteen cabins, which includes replacement of bathroom areas (tiling, replacement of shower cubicles and fixtures but excluding electricals). The objective of the project is to renew the asset to attract more customers to use the caravan park.

The works are programmed to occur in three groupings that have been developed to ensure only a small number of cabins are refurbished at a time to minimise the disruption and ensure continued operation of the business. The works are scheduled to commence in February 2019 and be completed by September 2019, weather dependant, in the following groupings:

1. Group one works will occur from February to April 2019.
2. Group two works will occur from July to September 2019.
3. Group three works will occur from August to September 2019.

2. Explanation of Item

Tenders for the design and construction of the 'Bongaree - Bongaree Caravan Park - Cabin Renewals (MBRC007439)' project closed on 3 May 2018 with a total of three tenders received, two of which were conforming. The tenders were assessed by the assessment panel in accordance with Council's Purchasing Policy and the selection criteria as set out in the tender documents.

All tenders and their evaluation scores are tabled below (ranked from highest to lowest):

RANK	TENDERER	EVALUATION SCORE
1	Kimini Constructions Pty Ltd	100.00
2	Nev. Paterson & Sons Pty Ltd T/A NPS Commercial	73.37
3	The Trustee for the Millman Family Trust T/A Millman Project Builders	Non-conforming

Kimini Constructions Pty Ltd submitted a comprehensive tender and demonstrated their experience on projects of a similar scale and complexity. At the tender clarification meeting held on 20 June 2018, Kimini Constructions Pty Ltd detailed their construction methodology and confirmed their overall construction duration for the proposed groupings and demonstrated an understanding of the project's requirements.

Nev. Paterson & Sons Pty Ltd T/A NPS Commercial submitted a comprehensive tender and demonstrated their construction methodology and experience; however, there were no additional benefits for the higher price.

The non-conforming tender did not provide the mandatory tender documentation.

ITEM 4.1 BONGAREE - BONGAREE CARAVAN PARK - CABIN RENEWALS - DIVISION 1 - A17352057 (Cont.)

3. Strategic Implications

3.1 Legislative/Legal Implications

Due to the value of work being greater than \$200,000, Council called a public tender for the work through the LG Tender system in accordance with the *Local Government Act 2009*.

3.2 Corporate Plan / Operational Plan

This project is consistent with the Corporate Plan outcome - Valuing Lifestyle: Quality recreation and cultural opportunities - active recreation opportunities.

3.3 Policy Implications

This project has been procured in accordance with the provisions of the following documents:

- Council's Procurement Policy 10-2150-006
- *Local Government Act 2009*
- Local Government Regulation 2012 Chapter 6.

3.4 Risk Management Implications

The project risk has been assessed and the following issues identified. The way in which the potential impact of these risks is minimised is detailed below.

Financial Risks:

A third party review of financial status has been carried out and the successful tenderer was rated 'satisfactory'.

Construction Risks:

- a. The recommended contractor will provide a program of works, traffic management plan and safety plan and will be required to fence off the areas where construction is being undertaken to meet relevant workplace health and safety requirements as part of the contract, including safe work method statements.
- b. The recommended contractor has demonstrated their understanding of constructability challenges and their capability to complete the works in accordance with the proposed grouping of the works.

3.5 Delegated Authority Implications

No delegated authority implications arising as a direct result of this report.

3.6 Financial Implications

Council has allocated \$180,000 (excluding GST) in the 2018-19 FY Capital Projects Program and identified an additional \$300,000 (excluding GST) in the 2019-20 FY Capital Projects Program totalling \$480,000 (excluding GST) for this project, budget number 102274.

Tender Price (Design and Construction)	\$ 351,047.51
Contingency (10%)	\$ 35,104.75
Consultant services during construction	\$ 1,000.00
QLeave	\$ 1,668.00

Total Project Cost	\$ 388,820.26
	=====

Estimated ongoing operational/maintenance costs are \$4,500 per F/Y.

The budget amount for this project is sufficient.

3.7 Economic Benefit

The cabin renewal works will attract more customers to use the caravan park, reduce maintenance costs and extend the useful life of the cabins.

ITEM 4.1 BONGAREE - BONGAREE CARAVAN PARK - CABIN RENEWALS - DIVISION 1 - A17352057 (Cont.)

3.8 Environmental Implications

An environmental management plan will be provided to Council by the successful tenderer detailing the management of environmental matters affecting the project during construction.

3.9 Social Implications

The completion of these works will provide an improved tourist destination and venue location for visitors to the region.

3.10 Consultation / Communication

A detailed communications plan has been prepared. Project notices will be distributed two weeks prior and project signs will be placed four weeks prior to construction works occurring.

The Divisional Councillor has been consulted and is supportive of the project and the consultation plan.

Executive Summary

Tenders were invited for the 'North Lakes - Lake Eden - Lake Rectification Works (MBRC007725)' project. The tender closed on 24 July 2018 with a total of three conforming tenders received.

It is recommended that Council award the contract to Auzcon Pty Ltd for the sum of \$552,900.00 (excl. GST) as this tender was evaluated as representing the best overall value to Council.

OFFICER'S RECOMMENDATION

That the tender for North Lakes - Lake Eden - Lake Rectification Works (MBRC007725) be awarded to Auzcon Pty Ltd for the sum of \$552,900.00 (excluding GST).

ITEM 4.2 NORTH LAKES - LAKE EDEN - LAKE RECTIFICATION WORKS - DIVISION 4 - A17342658 (Cont.)

REPORT DETAIL

1. Background

The project is located at Lake Eden, Discovery Drive, North Lakes. The scope of works includes the construction of five maintenance access ramps at various points around the perimeter of the lake and wetlands; and wetland and weir construction. The objective of the project is to improve maintenance access, reinstate the water quality treatment functions of the system and reinstate the open water amenity of the lake.

Construction is to commence in September 2018, with anticipated completion in 20 weeks, which includes an allowance for wet weather.

2. Explanation of Item

Tenders for the construction of the 'North Lakes - Lake Eden - Lake Rectification Works (MBRC007725)' project closed on 24 July 2018 with a total of three conforming tenders received. The tenders were assessed by the tender assessment panel in accordance with Council's Purchasing Policy and the selection criteria as set out in the tender documentation.

All tenderers and their evaluation scores are tabled below (ranked from highest to lowest).

RANK	TENDERER	EVALUATION SCORE
1	Auzcon Pty Ltd	96.19
2	Sunshine Coast Consulting Pty Ltd	85.48
3	Australian Wetlands Landscapes Qld	70.54

Auzcon Pty Ltd submitted a detailed tender and demonstrated their experience on projects of a similar scale and complexity for Council, such as Coulthards Creek upgrade, Cabbage Tree Creek river bed repair, Nathan Road AFL wetlands and are currently undertaking the Lake Kurwongbah dam wall. A tender clarification meeting was held with Auzcon Pty Ltd on 10 August 2018, which reinforced their understanding of the project and relevant experience.

Sunshine Coast Consulting Pty Ltd submitted a comprehensive tender and demonstrated a clear understanding of the project requirements and capacity to complete the works; however, there were no additional benefits for the higher price.

ITEM 4.2 NORTH LAKES - LAKE EDEN - LAKE RECTIFICATION WORKS - DIVISION 4 - A17342658 (Cont.)

Australian Wetlands Landscapes Qld submitted a comprehensive tender and demonstrated a clear understanding of the project requirements and capacity to complete the works; however, there were no additional benefits for the higher price.

3. Strategic Implications

3.1 Legislative/Legal Implications

Due to value of work being greater than \$200,000, Council called a public tender for the work through the LG Tender system in accordance with *the Local Government Act 2009*.

3.2 Corporate Plan / Operational Plan

This project is consistent with the Corporate Plan outcome - Valuing Lifestyle: Healthy natural environment - a clean and healthy environment.

3.3 Policy Implications

This project has been procured in accordance with the provisions of the following documents:

- Council's Procurement Policy 10-2150-006
- *Local Government Act 2009*
- Local Government Regulation 2012 Chapter 6.

3.4 Risk Management Implications

The project risk has been assessed and the following issues identified. The way in which potential risks are minimised is detailed below.

Financial Risks:

A third party review of financial status has been undertaken and the successful tenderer was rated '*marginal*'. Security in the form of bank guarantees to the value of 10% will be obtained, with 7.5% released at practical completion and 2.5% released at the end of the defects period.

Environmental Risk:

Construction work will be undertaken at a location that supports existing vegetation and local wildlife. The successful contractor has provided a methodology based upon the principal consultant's Construction Environmental Management Plan (CEMP) specifically developed for this project. The CEMP covers key environmental issues, relevant legislation and guidelines, and roles and responsibilities for the construction period.

Construction Risks:

The contractor will provide a Traffic and Pedestrian Management Plan prior to commencing on site. The construction areas will be secured by security fencing to ensure construction works are isolated from public activities.

Wet weather delays:

The tender document required all tenderers to include an allowance for inclement weather within their tendered construction time line. The contractor has provided an initial program of works with an inclusion of estimated wet weather days.

3.5 Delegated Authority Implications

No delegated authority implications arising as a direct result of this report.

Moreton Bay Regional Council

ITEM 4.2 NORTH LAKES - LAKE EDEN - LAKE RECTIFICATION WORKS - DIVISION 4 - A17342658 (Cont.)

3.6 Financial Implications

Council has allocated \$750,000 in the 2018/19 Operational projects program for construction, budget number 103631.

Tender price (construction)	\$ 552,900.00
Contingency (20%)	\$ 110,580.40
QLeave	\$ 2,626.28
Consultant's site involvement	\$ 4,400.00

Total Project Cost	\$ 670,506.68
	=====
Estimated ongoing operational/maintenance costs	\$4,400 per F/Y

The budget for this project is sufficient.

3.7 Economic Benefit

Access improvements and weir construction will aid more efficient maintenance management of Lake Eden and surrounds.

3.8 Environmental Implications

The principal consultant has developed a site-specific Construction Environment Management Plan (CEMP). The CEMP covers key environmental issues, relevant legislation and guidelines, and roles and responsibilities for the construction period. Erosion and sediment control designs have been developed by the principal consultant.

Category three restricted matter (weeds) is present at the site (Salvinia and Cabomba). The CEMP describes procedures to dispose of restricted matter if encountered during construction works.

Wetland and weir construction at Lake Eden is designed to improve water quality at the site.

3.9 Social Implications

From the completion of these works, there will be improved management of the water quality and weed issues, thus improving the visual amenity of Lake Eden, creating a better social environment for the public.

3.10 Consultation / Communication

A communications plan has been developed for this project. Residents as detailed in the distribution area including the adjacent businesses will be notified of the pending works via project notices two weeks prior to the commencement of works. Park users will be notified of the project via project signage four weeks prior to the commencement of works. Weekly construction updates will be emailed to the Councillor as detailed in the communication plan.

Responsible Officer: AH, Manager Waste Services (ECM Waste Services)

Executive Summary

Tenders were invited for the supply and delivery of roll on roll off (RORO) bins and freight containers for Council's waste management facilities. The tender MBRC007585 closed on 19 June 2018 with a total of five tender responses received, all of which were conforming.

It is recommended that the tender for *Supply and Delivery of Roll On Roll Off Bins and Freight Containers* be awarded to Innovative Waste Solutions Pty Ltd for the amount of \$498,208 (excluding GST) as this offer was evaluated as representing the best overall value to Council.

OFFICER'S RECOMMENDATION

That the tender for the 'Supply and Delivery of Roll On Roll Off Bins and Freight Containers' (MBRC007585) be awarded to Innovative Waste Solutions Pty Ltd for the amount of \$498,208 (excluding GST).

ITEM 4.3 TENDER - SUPPLY AND DELIVERY OF ROLL ON ROLL OFF (RORO) BINS AND FREIGHT CONTAINERS - WASTE FACILITIES - MBRC007578 - REGIONAL - A17283568 (Cont.)

REPORT DETAIL

1. Background

Council uses RORO bins as waste drop-off points for the community at its waste management facilities. Once full, these bins are transported on-site or between sites for waste processing or disposal. The freight containers are used to transport donated items from the transfer stations to the Dakabin and Caboolture Treasure Markets. The sizes and quantity of items are listed below.

Item Description	Quantity
15m ³ RORO bin	1
35m ³ RORO bin	42
37m ³ RORO bin	3
30m ³ freight containers	2
Total	48

The current RORO bins and freight containers in circulation have experienced wear and tear over time and would require repairs to continue safe operational use in the future. The purchase of RORO bins and freight containers are part of the asset renewal program and will allow for much longer operational use before requiring replacement.

2. Explanation of Item

Tenders were advertised on 19 May 2018 and closed 19 June 2018 with a total of five conforming tender responses received. The tenders were assessed by the evaluation panel in accordance with Council's Procurement policy and the selection criteria as set out in the tender documents.

The table below lists the tenderers and their evaluation scores (ranked from highest to lowest).

Rank	Tenderer	Evaluation Score
1	Innovative Waste Solutions Pty Ltd	100
2	EasyQuip Pty Ltd	96.06
3	Toro Waste Equipment (Aust) Pty Ltd	81.94
4	N & S Newnham Pty Ltd	78.61
5	Pacific Welding Installations Pty Ltd	22.38

A summary of the tenderers' submissions, in order of ranking, is listed below.

Innovative Waste Solutions Pty Ltd received the highest ranking from the evaluation panel based on the selection criteria. The submission demonstrated that the contractor has a thorough understanding of the required works and ability to supply the items in the required timeframe. The company profile and previous relevant experience indicated that the contractor specialises in hook lift bin fabrication and manufacture and submitted the strongest pricing component to be the overall best value to Council.

EasyQuip Pty Ltd submitted a comprehensive tender and received the second highest ranking from the evaluation panel. The company provided a satisfactory understanding of the required works and satisfactory previous experience. The price element provided in the submission by EasyQuip Pty Ltd was not considered the most advantageous to Council.

Toro Waste Equipment (Aust) Pty Ltd submitted a satisfactory tender and received the third highest ranking from the evaluation panel. The company provided a satisfactory understanding of the required works and satisfactory previous experience. The price element provided in the submission by Toro Waste Equipment (Aust) Pty Ltd was not considered as the most advantageous to Council.

ITEM 4.3 TENDER - SUPPLY AND DELIVERY OF ROLL ON ROLL OFF (RORO) BINS AND FREIGHT CONTAINERS - WASTE FACILITIES - MBRC007578 - REGIONAL - A17283568 (Cont.)

N & S Newnham Pty Ltd submitted a satisfactory tender and received the fourth highest ranking from the evaluation panel. The company provided a satisfactory understanding of the required works and satisfactory previous experience. The price element provided in the submission by N & S Newnham Pty Ltd was not considered the most advantageous to Council.

Pacific Welding Installations Pty Ltd submitted a satisfactory tender and received the fifth highest ranking from the evaluation panel. The company provided a satisfactory understanding of the required works and satisfactory previous experience. The price element provided in the submission by Pacific Welding Installations Pty Ltd was considered the least advantageous to Council.

3. Strategic Implications

3.1 Legislative/Legal Implications

Due to the value of work being greater than \$200,000, Council called a public tender for the work through the LG Tender System in accordance with the *Local Government Act 2009*.

3.2 Corporate Plan / Operational Plan

This project is consistent with the Corporate Plan outcome - Strengthening Communities: Healthy and supportive communities - a healthy and inclusive community.

3.3 Policy Implications

This contract has been procured in accordance with the provisions of the following documents:

- Council's Procurement Policy 10-2150-006
- *Local Government Act 2009*
- Local Government Regulation 2012 Chapter 6.

3.4 Risk Management Implications

The risks have been assessed and the following issues identified. The way the potential risks are managed is detailed below.

The successful contractor must construct the RORO bins and freight containers in compliance with Australian Standard AS/NZS 1594, AS 3679.1, AS 1163, EN 12079 and AS 3711.

A recent third-party review of financial status has been undertaken and the successful tenderer was rated '*satisfactory*'.

3.5 Delegated Authority Implications

No delegated authority implications arising as a direct result of this report.

3.6 Financial Implications

The project cost of \$498,208 (excl. GST) is within project budget allocation and will be debited to job/project number 106683 - MBRC - Roll On Roll Off - Bin Replacement.

3.7 Economic Benefit

The new RORO bins and freight containers will replace 48 existing bins/containers, due to years of wear and tear through operational use.

3.8 Environmental Implications

Purchase of the assets for the community to dispose of various wastes helps reduce environmental impacts and will reduce the likelihood of illegal dumping.

ITEM 4.3 TENDER - SUPPLY AND DELIVERY OF ROLL ON ROLL OFF (RORO) BINS AND FREIGHT CONTAINERS - WASTE FACILITIES - MBRC007578 - REGIONAL - A17283568 (Cont.)

3.9 Social Implications

Provision for the community to separate and dispose of waste reduces the amount of waste to landfill and illegal dumps across the region.

3.10 Consultation / Communication

Consultation was held with Procurement Services throughout the tendering and evaluation assessments to ensure compliance with Council's Procurement Policy and tender evaluation process.

ITEM 4.4 BUNYA - JAMES DRYSDALE RESERVE SOCCER FIELD 1 - SURFACE RENEWAL DIVISION 10 - A17316306 (Cont.)

REPORT DETAIL

1. Background

The James Drysdale Reserve soccer field rehabilitation project is located at the James Drysdale Reserve, Bunya Road, Bunya. This project will address current drainage, subsidence and poor turf health which has resulted in the fields being closed more frequently after rain events.

The project scope includes removal of existing turf, installation of subsurface drainage, importing and spreading of growing median to undertake a reshape of the playing surface, which will rectify the current drainage and subsidence issues. The perimeter fencing will be replaced and realigned to the new surface shape, and a new hybrid couch turf will be laid to the playing surface to complete the works.

Works are expected to commence in mid-September 2018, and will take approximately 18 weeks to complete which includes two weeks' contingency for wet weather.

2. Explanation of Item

Tenders were called for 'James Drysdale Reserve Soccer Field 1 - Surface Renewal (VP110436)' using the vendor panel arrangement MBRC005998 - Sports Field Maintenance Services - Category 2 Sports Field Turf Repairs and Renovation. Tenders closed on 4 July 2018, with four conforming submissions received. The tenders were assessed by the assessment panel in accordance with Council's Purchasing Policy and the selection criteria set out in the tender documents.

All conforming tenders and their final weighting scores are tabled below (ranked highest to lowest):

RANK	TENDERER	EVALUATION SCORE
1	Twin View Turf Pty Ltd	94.23
2	Green Options	92.29
3	Supagreen Lawn Programmes Pty Ltd	82.04
4	Hart Valley Investments Pty Ltd t/a Hancey's Turf	81.68

ITEM 4.4 BUNYA - JAMES DRYSDALE RESERVE SOCCER FIELD 1 - SURFACE RENEWAL DIVISION 10 - A17316306 (Cont.)

Twin View Turf Pty Ltd and Green Options - both submitted well considered tender submissions. Both companies are well recognised within their industry and demonstrated a good understanding of the project.

Supagreen Lawn Programmes Pty Ltd submitted a sound tender submission. The tender assessment panel was satisfied that Supagreen Lawn Programmes Pty Ltd demonstrated a good understanding of the project and was capable, experienced and resourced to undertake the works. The price component submitted provided the best option which the panel is recommending to the Council as the recommended tenderer.

Hart Valley Investments Pty Ltd t/a Hancey's Turf submitted a satisfactory tender submission; however, were not able to provide additional information nor demonstrate a good understanding of the project during the tender clarification meeting.

3. Strategic Implications

3.1 Legislative/Legal Implications

Due to the value of the work being greater than \$200,000, a competitive tender process was undertaken through a Vendor Panel Arrangement, MBRC005998 - Sports Field Maintenance Services - Category 2 Sports Field Turf Repairs and Renovation, in accordance with the *Local Government Act 2009*.

3.2 Corporate Plan / Operational Plan

This project is consistent with the Corporate Plan outcome - Valuing Lifestyle: Quality recreation and cultural opportunities - active recreation opportunities.

3.3 Policy Implications

This project has been procured in accordance with the provisions of the following documents:

- Council's Procurement Policy 2150-006
- *Local Government Act 2009*
- Local Government Regulation 2012 Chapter 6.

3.4 Risk Management Implications

Due to the value of works to be awarded to Supagreen Lawn Programmes Pty Ltd, a financial status review of this company has been undertaken, with the preferred tenderer achieving a *'sound'* financial capacity to deliver the proposed sports field renewal.

3.5 Delegated Authority Implications

No delegated authority implications arising as a direct result of this report.

3.6 Financial Implications

The total project cost for the James Drysdale Reserve Soccer Field 1 - Surface Renewal project is \$299,682.71 (excl. GST) which is within budget allocation for Project 106770.

Tender Price	\$ 279,682.71
Contingency (5%)	\$ 13,984.14
Qleave	\$ 1,328.49

Total Project Cost	\$ 294,995.34
	=====

3.7 Economic Benefit

The improved drainage and playing surface conditions will allow the club to play more fixtures and potentially attract A League fixtures creating exposure and revenue opportunities for MBRC and the football club.

ITEM 4.4 BUNYA - JAMES DRYSDALE RESERVE SOCCER FIELD 1 - SURFACE RENEWAL DIVISION 10 - A17316306 (Cont.)

3.8 Environmental Implications

An Environmental Management Plan will be provided to Council by the successful tenderer, detailing the management of environmental matters affecting the project during construction.

3.9 Social Implications

The improved drainage and playing surface conditions will reduce the need for field closures and disruptions to season fixtures, potentially increasing club membership.

3.10 Consultation / Communication

Consultation for the delivery of this program has been undertaken with relevant officers, stakeholders, department managers and the procurement section of Council. Impending facility closures and works will be communicated via project notices and project signage.

Executive Summary

This report seeks Council's approval for the provision of a lease to North Road Combine Inc. at Zammit Oval, 55 Zammit Street, Deception Bay (refer Supporting Information #1). The proposed lease would take effect following the group securing sufficient funding to complete the construction of a storage shed and prior to the commencement of construction works.

OFFICER'S RECOMMENDATION

1. Subject to recommendations 2 and 3, that North Road Combine Inc. be granted a lease over an area at 55 Zammit Street, Deception Bay (refer Supporting Information #1) for a period aligning with the expiry of their existing lease at this location (31 August 2021).
2. That the terms and conditions of this lease be in accordance with Council's Community Leasing Policy, with annual rental commencing at \$1.00 per annum.
3. That the grant of this lease is subject to North Road Combine Inc. securing sufficient funding to undertake the storage shed project referred to in this report and that the grant of this lease is prior to the commencement of construction works.
4. That the Chief Executive Officer be authorised to take all action necessary to execute this lease.
5. That the exception contained in Section 236(1)(b)(ii) of the Local Government Regulation 2012 applies to the Council regarding the disposal of the land referred to in this report.

ITEM 5.1 NEW LEASE - NORTH ROAD COMBINE INC - DIVISION 2 - A17336222 (Cont.)

REPORT DETAIL

1. Background

Since 1 September 2016, the North Road Combine Inc. (pigeon club) has held a lease with Council over part of a clubhouse building at 55 Zammit Street, Deception Bay (refer Supporting Information #1). The club has identified a need for a dedicated secure storage facility to support their operations. Currently the club's pigeon racing trailer is stored at a committee member's private residence.

Community group tenants of Council facilities must submit an Improvement Works Application (IWA) to obtain Council approval for any improvements to the facility or site where they hold a lease, licence or permit. Council may approve, approve with conditions or refuse applications at its sole discretion.

2. Explanation of Item

The North Road Combine Inc. has lodged an IWA to Council for the construction of a storage shed, which is proposed to be located outside of their existing lease area (refer Supporting Information #1). This application has been assessed by Council's key stakeholder departments, with no objections received.

To enable North Road Combine Inc. to proceed with their proposed project, Council would need to provide the group with an additional lease over the area where the new facility is to be constructed (refer Supporting Information #1).

This report recommends that Council approve the provision of a lease, under the terms and conditions of Council's Community Leasing Policy, over the area identified in Supporting Information #1. Further, it is recommended that the term of this lease be aligned with the term of the group's existing lease at this location (31 August 2021).

3. Strategic Implications

3.1 Legislative/Legal Implications

The Council must comply with the *Local Government Act 2009* and *Local Government Regulation 2012* when it disposes of valuable non-current assets. Resolving to rely on the exception provided under section 236(1)(b)(ii) of the Regulation will allow the Council to complete the disposal to a community organisation by means other than tender or auction.

3.2 Corporate Plan / Operational Plan

Valuing Lifestyle: Quality recreation and cultural opportunities - active recreation opportunities.

3.3 Policy Implications

The terms and conditions of the proposed lease agreement will be in accordance with Council's Community Leasing Policy (14-2150-079).

3.4 Risk Management Implications

There are no risk management implications arising as a direct result of this report.

3.5 Delegated Authority Implications

As per Officer's Recommendation 4 of this report, it is proposed that the Chief Executive Officer be authorised to take all action necessary to execute the new lease.

3.6 Financial Implications

There are no financial implications arising as a direct result of this report.

3.7 Economic Benefit

ITEM 7.1 GRANT OF EASEMENT TO UNITYWATER OVER COUNCIL LAND - 21A HARVEY STREET, STRATHPINE - LOT 800 ON RP113614 AND LOT 3 ON RP114174 - DIVISION 8 - A17260180 (Cont.)

REPORT DETAIL

1. Background

On 7 March 2017 Council approved a development application for Reconfiguration of a Lot - Development Permit (1 into 184 Lots) at 72 Grahams Road, Strathpine (reference DA/31757/2016/V3RL).

On 28 September 2017 Unitywater approved sewerage reticulation plans for the development at 72 Grahams Road, Strathpine subject to conditions.

The approved Unitywater plans required sewerage infrastructure to service the development at 72 Grahams Road to be constructed through the adjoining Council park located at 21A Harvey Street, Strathpine (Lot 800 on RP113614 and Lot 3 on RP114174).

Unitywater requires an easement over their constructed sewerage infrastructure. The relevant documentation has now been prepared to create "Easement H in Lot 800 on RP113614 and Easement P in Lot 3 on RP114174" as per Supporting Information #1.

Supporting Information #2 is an aerial image of the Council owned land at 21A Harvey Street, Strathpine and its surrounds.

2. Explanation of Item

The terms of the Easement, if granted by Council, will be in accordance with the standard easement terms, previously agreed to by Council and Unitywater, and lodged with the Department of Natural Resources, Mines and Energy under Dealing Number 715221831.

3. Strategic Implications

3.1 Legislative/Legal Implications

Appropriate easement documentation will be prepared and lodged with the Titles Office.

3.2 Corporate Plan / Operational Plan

Creating Opportunities: Well-planned growth - a sustainable and well-planned community.

ITEM 7.2 PROPOSED GRANT OF EASEMENT TO UNITYWATER - 0 UHLMANN ROAD, BURPENGARY EAST
[LOT 20 ON SP206267] - DIVISION 2 - A17423052 (Cont.)

REPORT DETAIL

1. Background

On 8 May 2015 Council approved a development application for Reconfiguring of a Lot - Development Permit for Subdivision (190 Lots in 6 Stages) at 2 Nolan Drive, Morayfield [Lot 2 on SP206287] (reference DA/29013/2014/VCHG) ("the Approval").

Condition 33 of the Approval provides:

"Easements will be required over water and sewerage mains and/or rising mains in accordance with the South East Queensland Water Supply and Sewerage Design and Construction Code."

The approved plans attached to the Approval permit sewerage infrastructure to service the development to be constructed through the adjoining Council land at Uhlmann Road, Burpengary East [Lot 20 on SP206267] ("the Council Land"). The Council Land is owned by Moreton Bay Regional Council in fee simple.

The relevant documentation has now been prepared to create "Easement A in Lot 20 on SP206267" as per Supporting Information #1.
