ITEM 7 - DECLARATION OF INTEREST

Perceived Conflict of Interest - Declaration - Cr Julie Greer

Pursuant to s175E of the *Local Government Act 2009*, Cr Julie Greer declared a perceived conflict of interest in the subject of the Community Comment session (North Lakes Golf Club), as she had received an electoral campaign contribution of \$2488.35 on 19 March 2016, from Moreton Futures Trust. Village Retirement Group, a contributor to Moreton Futures Trust, is a potential applicant for a development proposal that may be lodged over the North Lakes Golf site.

Material Personal Interest - Declaration - Cr Julie Greer

Pursuant to s175C of the *Local Government Act 2009*, Cr Julie Greer declared a material personal interest in the subject of the Community Comment session, as she stands to gain a benefit or suffer a loss as her home is five doors from the North Lakes Golf Club.

Cr Julie Greer retired from the meeting at 10.40am taking no part in the discussion.

Cr Mike Charlton (Acting Mayor) opened the Community Comment session, making the required statement regarding the conduct of the Session, and invited Mr Phillip Carlson to address Council.

7.1. Community Comment - Mr Phillip Carlson - North Lakes Golf Course

As part of the Community Comment session, Mr Phillip Carlson, addressed the Council in respect of the North Lakes Golf Course.

Mr Carlson stated that he is a resident of North Lakes and is aware that Council has not yet received a Development Application for this purpose.

Mr Carlson noted that the North Lakes community have been stressed over the proposed sale of the North Lakes Golf Course for the prohibited development of the land into a retirement village and that it is incomprehensible to the community who have bought land in North Lakes.

The following points were made:

- Those who bought land in North Lakes relied upon the Mango Hill Infrastructure Development Control Plan (DCP) and were required by Council to build houses in accordance with the DCP and specific relevant Sector Plans.
- The community of North Lakes will not support any modification to the DCP prior to lodgement of any DA and that they wholly understand the document, its intention and intended permanency.
- Item 2.4.7 of the DCP comments that an amendment may be made or rejected if the amendment is '*minor and in the opinion of Council the amendment would not adversely affect any person.*'
- Item 2.4.8 states that sector plans are required to indicate development to adjacent land which might occur in the future.
- Item 2.4.9 deals with the final specification of land use rights and that Item 9.5 specifies that a retirement village is a prohibited use and accordingly may not be built in the open space sector plan.
- The open space area on which the golf course is built is classified as a buffer according to the DCP and specifies that '*Commercial recreation uses which characteristically require large areas of land, such as a golf course, may be established in the buffer areas provided the purpose of the buffer is maintained.*'
- The community believes that any re-development of the golf course would have a significant effect on the community and that any DA should be rejected.
