- Amenity & aesthetics for a 'removal building' \$943.00  
 Amenity & aesthetics for other than a 'removal building' \$943.00

## Fee calculation

- Application triggering one or more options in Group 1 only, one fee is applicable
- Application triggering one or more options in Group 2 only, one fee is applicable
- Application triggering one or more options in Group 1 and one or more options in Group 2, two fees are applicable.

## Identify areas of non-compliance with:

- The requirements for accepted development (RAD) under the Dwelling House Code to the Moreton Bay Regional Council Planning Scheme and/or
- The acceptable solutions for Parts MP1.1 or MP1.2 of the Queensland Development Code.

(Example: RAD24 - domestic building exceeding 4.0m in height or 3.5m mean height)

## Justification

Provide information detailing how the proposed building work meets the performance outcome/criteria for the relevant code:

[Example: Dwelling house code PO22 (a) - the height of the proposed outbuilding will be offset by being setback a greater distance from the side boundary than required. In addition, a vegetative buffer is proposed to be placed between the outbuilding and the boundary to give some visual screening]

## Amenity & aesthetics

For amenity & aesthetics, state why you believe that the proposed building work would not have an extremely adverse effect on the amenity of the neighbourhood, or be in extreme conflict with the character of the neighbourhood (refer to Council Policy No. 14-2150- 076 Amenity & aesthetics – Impact of proposed building work):
