5. PRESENTATION OF PETITIONS

(Addressed to the Council and tabled by Councillors)

5.1. Petition - Ms Amy Johnson - Request for additional yellow line markings at Corner of Beerburum Road and Shell Street, Caboolture and installation of a traffic island and installation of 50klms speed signs at the Corner of Shell Street & Childs Street, Caboolture. (A17896895)

Cr Hain tabled a petition containing 254 signatures, received from Ms Amy Johnson, reading as follows:

"We, the undersigned residents of Moreton Bay Regional Council, request that Council:

At the corner of Beerburum Rd and Shell St Caboolture (7 Eleven Corner) is difficult & dangerous when exiting into Shell Street from 7 Eleven. This is caused by vehicles / trucks parked surrounding the drive way which results in very poor visibility when exiting, as a result of this obscurity to vision there has been a serious accident occur, further yellow lining would be warranted.

Because of the rat running & speeding down Shell Street & Childs St Caboolture a vehicle has ploughed into a residence causing damage to the premises, this is a regular occurrence (sic) in these streets and it would be appropriate to install an island at the corner of Shell St & Childs St to prevent accidents & cutting of the corner.

To prevent the regular speeding we would like also the 50klms speed signs installed".

RESOLUTION

Moved by Cr Adam Hain

Seconded by Cr Denise Sims

CARRIED 11/0

- 3. That the Principal Petitioner be advised accordingly and forwarded a copy of the petition.**
- 4. That the Principal Petitioner and Divisional Councillor be kept informed of any action taken in relation to this petition.**

5.2. Petition - Mr Ken Elkos - Deception Bay Foreshore Dog Off Leash Trial (A17922061)

Cr Flannery tabled a petition containing 411 signatures, received from Mr Ken Elkos, reading as follows:

"We, the undersigned residents of Moreton Bay Regional Council, request that Council:

Provide an off leash area from Wallin Avenue boat ramp to Joseph Crescent, including the lower footpath to the rock wall and the foreshore, at any time of day, on any day. Including also, the beach between Seaview Parade and Windlass Street.

So we, the petitioners, the dog owners and rate payers of Deception Bay an surrounding areas, commonly known as Deception Bay Dogs, do formally protest the on leash restrictions between 8am and 4pm that are currently trialling at Deception Bay beach. That being between Seaview Parade and Windlass Street and Wallin Ave and Joseph Crescent, lower footpath included.

Local Government has not taken 'reasonable steps' before the trial commenced to provide the notice to the public regarding the off leash area that was succinct and self explanatory. Signs conflicted with other signs. Socialization and exercise is an important part of mental health and physical wellbeing for dogs and humans alike.

5.2. Petition - Mr Ken Elkos - Deception Bay Foreshore Dog Off Leash Trial (A17922061) cont'd

R.S.P.C.A Animal training Centre manager, Nicola Westerwell states that 'Socialization is so important for dogs and they should be introduced to: people, cars, children, other animals and cultures so that are not stressed'. This community atmosphere is obtained in Deception Bay and has helped develop social and well behaved dogs through this kind of interaction and friendship. Deception Bay does not have the tourist foot traffic that Redcliffe does, nor does it have the population. Deception Bay beach is predominately mangroves and not suitable for swimming, hence the evolution of Deception Bay Dogs'.
